Be Inspired:

“Be thankful for what you have; you'll end up having more. If you concentrate on what you don't have, you will never, ever have enough.”
Oprah Winfrey

This month challenge yourself to start every day with a moment of Gratitude and Thankfulness. Focus on the blessings you have instead of hoping and praying for “wants” that you may not need. Take time to reflect about the little things that have made it a better day- a smile, a compliment, sunshine, friendship. Rejoice in the company of others and strive each day to make someone else's day brighter. Practice giving thanks to your family, friends and God for all of your blessings.

I will give thanks to you, LORD, with all my heart; I will tell of all your wonderful deeds.
Psalm 9:1
